JUNE 2016

NEW MASTER-PLANNED COMMUNITY IN WHITBY

For the first time in over 10 years, a brand new master-planned community is coming soon to Whitby. Now is the time to register for the first phase of **Country Lane**, an outstanding residential opportunity at Taunton Road and Country Lane.

Country Lane – by **Heathwood Homes** and **Andrin Homes** – is situated in one of Whitby's most developing areas, adjacent to the beautiful Heber Down Conservation Area. This stunning natural amenity offers fishing, picnic areas and nature walks enhanced by scenic views of the Lynde Creek Valley.

Country Lane will include close to 600 well-appointed homes on 36- and 45-foot lots, highlighted by contemporary and transitional designs. Prices will begin from the \$600,000s.
