1. CONSTRUCTION MATTERS:COMPLETION OF DWELLING

- (a) The Vendor will construct (if not already constructed) and complete upon the Property a dwelling (the "Dwelling") of the type hereinbefore indicated in accordance with the plans and specifications for this model type and filed or to be filed to the municipality. The Dwelling shall be deemed to be completed when all interior work has been substantially completed as determined by the Vendor and the Purchaser agrees in such case to close this transaction, without holdback of any part of the Purchase Price, on the Vendor's undertaking given pursuant to Paragraph 1 (b) hereof to complete the Dwelling, and the Purchaser hereby agrees to accept the Vendor's covenant of indemnity regarding lien claims which are the responsibility of the Vendor, its trades and/or suppliers, in full satisfaction of the Purchaser's rights under the Construction Act, and will not claim any lien holdback on closing. The Vendor shall provide evidence that occupancy is permitted in accordance with and only to the extent required by the Addendum.

TARION WARRANTY INSPECTION ("TWC" or "Tarion") AND HOME CONSTRUCTION REGULATORY AUTHORITY ("HCRA")

- (b)
- (i) The Purchaser or the Purchaser's designate as hereinafter provided agrees to meet the Vendor's representative at the date and time designated by the Vendor, prior to the Closing Date, to conduct a pre delivery inspection of the Dwelling (the "PDI") and to list all items remaining incomplete at the time of such inspection together with all mutually agreed deficiencies with respect to the Dwelling, on the TWC Certificate of Completion and Possession (the "CCP") and the PDI Form, in the forms prescribed from time to time by, and required to be completed pursuant to the provisions of the Ontario New Home Warranties Plan Act as amended (the "ONHWPA"). The said CCP and PDI Forms shall be executed by both the Purchaser or the Purchaser's designate and the Vendor's representative at the PDI and shall constitute the Vendor's only undertaking with respect to incomplete or deficient work and the Purchaser shall not require any further undertaking of the Vendor to complete any outstanding items. In the event that the Vendor performs any additional work to the Dwelling in its discretion, the Vendor shall not be deemed to have waived the provision of this paragraph or otherwise enlarged its obligations hereunder.
- (ii) The Purchaser shall be entitled to send a designate to conduct the PDI in the Purchaser's place or attend with their designate, provided the Purchaser first provides to the Vendor a written authority appointing such designate for PDI prior to the PDI. If the Purchaser appoints a designate, the Purchaser acknowledges and agrees that the Purchaser shall be bound by all of the documentation executed by the designate to the same degree and with the force and effect as if executed by the Purchaser directly.
- (iii) In the event the Purchaser and/or the Purchaser's designate fails to attend the PDI or fails to execute the CCP and PDI Forms at the conclusion of the PDI, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement of Purchase and Sale and/or at law. Alternatively, the Vendor may, at its option, complete the within transaction but not provide the keys to the Dwelling to the Purchaser until the CCP and PDI Forms have been executed by the Purchaser and/or its designate or complete the within transaction and complete the CCP and PDI Forms on behalf of the Purchaser and/or the Purchaser's designate and the Purchaser hereby irrevocably appoints the Vendor the Purchaser's attorney and/or agent and/or designate to complete the CCP and PDI Forms on the Purchaser's behalf and the Purchaser shall be bound as if the Purchaser or the Purchaser's designate had executed the CCP and PDI Forms.
- (iv) The Purchaser acknowledges that the area of the Dwelling, as may be represented or referred to by the Vendor or any sales representative, or which appears in any sales or marketing material(s) is approximate only, and is measured in accordance with the *Directive – Floor Area Calculations* published by the Home Construction Regulatory Authority or its successors (the "HCRA"). Actual useable floor space may (therefore) vary from any stated or represented floor area or gross floor area, and the extent of the actual or useable living area within the confines of the Dwelling may vary from any represented square footage or floor area measurement(s) made by or on behalf of the Vendor. Accordingly, the Purchaser hereby confirms and agrees that all details and dimensions of the Dwelling purchased hereunder are approximate only, and that there shall be no adjustment of the Purchase Price or claim for compensation whatsoever, whether based upon the ultimate square footage of the Dwelling, or the actual or useable living space within the confines of the Dwelling or otherwise. The Purchaser further acknowledges that notwithstanding any representation of ceiling heights within the Dwelling that where ceiling bulkheads or telecommunication devices are installed within the Dwelling, and/or where dropped ceilings are required, then the ceiling heights of the Dwelling will be less

than that represented, and the Purchaser shall correspondingly be obliged to accept the same without any abatement or claim for compensation whatsoever.

- (v) The Purchaser acknowledges that the Warranty Information Sheet - Warranty Information for New Freehold Homes is appended hereto and is available on the Taron website (which is currently at the following web address: <https://www.taron.com/homeowners/learning-hub>)

2. **PURCHASER'S COVENANTS:**

The Purchaser agrees with the Vendor as follows:

ACCEPTANCE OF PLAN OF SUBDIVISION

- (a) To forthwith upon request do all acts and execute and deliver all documents, both before and after closing, as may be required by the Vendor or the relevant municipality (the "Municipality") in connection with and the acceptance of the plan of subdivision wherein the Property is situate as a whole by the Municipality.

ENCUMBERING THE PROPERTY

- (b) The Purchaser covenants that he will not before closing, mortgage, sell, deal with or in any way encumber the Property, directly or indirectly, that he will not permit any lien, execution or conditional sales agreement to be registered or filed and that he will not obstruct or alter the premises.

NON MERGER

- (c) Notwithstanding the closing of this transaction, the Purchaser's covenants, warranties and agreements in this Agreement shall not merge and the Purchaser shall give to the Vendor any further written assurance as may be required by the Vendor to give effect to this covenant either before or after the Closing Date. The Vendor, the subdivider (the "Subdivider") of the plan of subdivision in which the Property is situate or their servants or agents may, for such period after closing as is designated by the Subdivider and/or Vendor, enter upon the Property at all reasonable hours to inspect, repair, complete or rectify construction, grade and undertake modifications to the surface drainage, including installation of catch basins, without liability therefor, and the Transfer/Deed may contain such a provision.

SUBSTITUTIONS

- (d) Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal or better, and also to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality.

GRADING

- (e) The Purchaser will not alter the grading of the Property contrary to the municipally approved drainage and/or grading control plan, and provided that lot grading has been completed in accordance with the municipally approved drainage and/or grading control plan, the Purchaser is stopped both from objecting thereto and from requiring any amendments thereto. The Purchaser shall not pave or finish the driveway without the prior written consent of the Vendor and the prior written consent of the Subdivider and the Municipality, if required by the subdivision agreement or any other municipal agreement or requirement. Following such approval and prior to completing the driveway, the Purchaser shall notify the Vendor in writing so that water keys can be located and raised, if necessary. The Purchaser covenants and agrees not to damage or alter any subdivision service, and shall be liable for the cost of rectification of any such damage or alteration, and in the event same is not paid upon demand, the Vendor shall have the right to register a lien on title to secure such payment which lien may be enforced in the same manner as a mortgage in default. The Purchaser agrees that neither the Purchaser(s) nor their successors or assigns shall construct or install a swimming pool, fencing, or decking upon the Property until after the Vendor has obtained acceptance of lot grading from the Municipality and approval from the Subdivider.

If, after taking possession of the Dwelling, the Purchaser completes and/or installs or causes to be completed and/or installed any additions and/or improvements such as, but not limited to, porches, patios, plantings, paved driveways, curbs or fences which are located within 6 feet of an external wall or within any area which interferes with the Vendor installing any required services, then the Purchaser will remove such addition and/or improvements within 5 business days of written request from the Vendor and prior to the Vendor taking any corrective actions which it is required to take.

UTILITIES

- (f) Unless expressly provided in this Agreement, the hot water heater and tank is not included in the Purchase Price and shall remain chattel property. The Purchaser agrees to execute a rental contract for the said heater and tank and agrees to take all necessary steps to assume immediately on closing, charges for hydro, water and other services, and the Vendor may recover any payments therefor from the Purchaser. The water meter is not included in the purchase if it is not the Property of the Vendor. The Purchaser shall pay, or reimburse the Vendor for the cost of, or the charge made for, water service and installation of the water meter and the cost of hydro installation and connection fee.

In addition and without limiting the foregoing, at the option of the Vendor in the event that the rental contract for the water heater is with Enercare (as defined below, or an assignee or successor thereto), then the following shall apply, which the Purchaser expressly agrees to:

By signing this document, the Purchaser acknowledges and agrees that (i) the water heater to be installed in the home will be a rental unit, rented by the Purchaser from Enercare Home and Commercial Services Limited Partnership ("Enercare") pursuant to a rental contract with Enercare, and (ii) by signing this document, the Purchaser does hereby enter into a rental agreement with Enercare on the terms and conditions to be determined by Enercare. The Purchaser further acknowledges and agrees that the Purchaser's personal information, including this document, may be disclosed to Enercare and consents to such disclosure and Enercare's collection and use of such personal information.

ENROLMENT FEE/HCRA OVERSIGHT FEE

- (g) The Purchaser covenants and agrees to reimburse the Vendor an amount equal to the cost of enrolment and/or regulatory fees paid by the Vendor for the Property and/or Dwelling under, pursuant to or as a requirement or prerequisite of any governmental authority, administrative body, and any of the following: the ONHWPA, *New Home Construction Licensing Act*, 2017, or by any of the regulators or authorities pursuant to any of the foregoing or any successor legislation, including, without limitation, TWC and/or the HCRA (together with any provincial or federal taxes exigible with respect thereto).

TITLE DIRECTION

- (h) The Purchaser(s) agrees to provide the Vendor's Solicitor with a written direction as to whom title is to be conveyed (subject to the first mortgagee's requirements, which the Purchaser will abide by), no later than thirty (30) days prior to the Closing Date, failing which, the Vendor is hereby directed to convey title to the Purchaser(s) set forth and named in this Agreement. Prior to closing, the Purchaser covenants not to register this Agreement or any other document on title.

RELEASE OF KEYS

- (i) Keys will be released to the Purchaser at the construction site or the sales office or the head office of the Vendor or in accordance with the Escrow Document Registration Agreement (as hereinafter defined), as the Vendor in its absolute discretion determines, unless otherwise specifically agreed in writing between the Vendor and the Purchaser. The Purchaser agrees that the Vendor's advice that keys are available for release to the Purchaser constitutes a valid tender of keys on the Purchaser.

EXTRAS

- (j) The Purchaser covenants and agrees that he shall pay to the Vendor in advance for all extras, upgrades or changes ordered by the Purchaser at the time such order is made and the Purchaser further acknowledges and agrees that such payment is non refundable in the event that his transaction is not completed for any reason whatsoever. If any amount payable for extras, upgrades or changes is owing to the Vendor as of the Closing Date, such amount shall be paid by the Purchaser in full on the Closing Date as an adjustment on closing. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes then there shall be refunded to the Purchaser upon Closing that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, the Purchaser receives credit in the statement of adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be deemed to have been released from any and all obligations, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes. In the event the Purchaser neglects to advise the Vendor forthwith upon request as to the Purchaser's selection of finishing

specifications, or orders any extras, upgrades in interior finishing, or performs any work in or about the Dwelling which causes delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing Date herein set out without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete any of the Vendor's outstanding work.

SALE RESTRICTION

- (k) The Purchaser represents to the Vendor upon which representation the Vendor has relied in accepting the Purchaser's offer that he is purchasing the Property for his own personal use and not for short term speculative purposes. Prior to Closing, the Purchaser covenants and agrees not to post any signs for sale, or list the Property for sale, or advise others that the Property is or may be available for sale, offer for sale or sell, the Property or to enter into any agreement, conditional or otherwise, to sell the Property, or any interest therein, nor to assign this Agreement or any interest therein, or the benefit thereof, either directly or indirectly, to any person without the prior written consent of the Vendor, which consent may be arbitrarily withheld or delayed. Any offering for sale, sale, assignment or attempted assignment of this Agreement shall constitute a breach of this covenant which shall, at the Vendor's sole option, entitle the Vendor to terminate this Agreement and the Vendor shall be entitled to retain the deposit monies as liquidated damages and not as penalty and the Purchaser shall have no further right to or interest in the Property.

TITLE RESTRICTIONS

- (l) The Purchaser shall accept the Property, subject to any building and/or other restrictions registered on title, including without limitation provisions in the Subdivider's deed to the Vendor or Purchaser and the Purchaser shall accept, execute and grant any easements or right of way for installation and/or maintenance of services as may be required, both before and after closing, by any governmental, railway or utility authority or body. Without limiting the generality of the foregoing, the Purchaser shall accept title subject to the restrictions set out on Schedules "M" and "M-2".

The Vendor shall have the option, in its discretion, to amend the wording of the restrictions in Schedules "M" and "M-2", which may include amending the dominant lands and/or servient lands, if the Vendor believes that such amendments are required for the purposes of registering such restrictions on title, and the Purchaser acknowledges, agrees and consents to the foregoing and shall accept title to the Property subject to such amended restrictions on title. Alternatively, the Vendor shall also have the option, in its discretion, to not register the restrictions set out on Schedules "M" or "M-2" on title.

DIMENSIONS OF THE PROPERTY

- (m) The Purchaser understands that the dimensions of the Property described herein are approximate only and that in the event such dimensions are determined to be less than or more than set out above, the Purchaser agrees to accept the Property with such lesser or greater dimensions without any alteration of the Purchase Price provided the Property complies with municipal requirements. The Purchaser acknowledges and agrees that if the Dwelling being purchased herein is a semi-detached or a townhouse dwelling unit, then the block upon which the Dwelling is constructed will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of such block.

SODDING

- (n) The Purchaser acknowledges that grading and sodding, if any, shall be done at such times as weather conditions permit as per the Vendor's scheduling program. The Purchaser agrees that he shall be solely responsible for watering and general maintenance of sod, if any, from the Closing Date or from the date that sod is laid, whichever shall be the later, and the Vendor shall have no obligation in that regard. In the event the Vendor is, for any reason, required to replace laid sod, the Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser and if so replaced, the Purchaser agrees to reimburse the Vendor for the costs and expenses of same as determined by the Vendor.

NOTICES

- (o) The Purchaser acknowledges that the subdivision agreement entered into or to be entered into between the Subdivider and the Municipality may require the Vendor to provide the Purchaser with certain notices, including, but not limited to, land usage, maintenance of municipal fencing, school transportation, noise levels from adjacent roadways, noise and/or vibration levels from nearby railway lines, the absence of door to door mail delivery, the location of "super mailboxes", and in general, any other matter that may be deemed by the Municipality to inhibit or affect the enjoyment by the Purchaser of the Property. The Purchaser covenants and agrees to execute forthwith upon request, an acknowledgement and/or amendment to this Agreement containing such notice if and when requested to do so by the Vendor and to be bound by the contents of any such notice as aforesaid. At this time the Purchaser is advised to refer to Schedules "D" and "H" of this Agreement to Purchase.

COLOUR SELECTION

- (p) The Purchaser covenants and agrees to attend within thirty (30) days of any and all notifications from the Vendor (the "**First Notice Period**") to make colour and other selections from the Vendor's standard samples, such selections to be noted on the Vendor's standard selection form and when completed shall constitute part of this Agreement (the "**Interior Finishing Selection Sheet**"). In the event the Purchaser does not so select within the First Notice Period, then the Purchaser shall be given a second opportunity to attend within ten (10) days of notification from the Vendor (the "**Second Notice Period**") and make the aforementioned colour and other selections. In the event that the Purchaser does not so select within the Second Notice Period, then the Purchaser shall be given a final opportunity to attend within five (5) days of notification from the Vendor (the "**Final Notice Period**") and make the aforementioned colour and other selections. In the event the Purchaser does not so select within the Final Notice Period, the Vendor may at its sole option, either make such selection on behalf of the Purchaser, and in any such event, the Purchaser hereby irrevocably agrees to accept the Vendor's selection without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation herein, or the Vendor may terminate this Agreement and the Purchaser agrees that the deposit monies paid by the Purchaser hereunder shall be forfeited to the Vendor in addition and without prejudice to any other remedy available to the Vendor arising out of such default.

In the event any item on the Interior Finishing Selection Sheet becomes unavailable, or, if such selection would not be available in a timely fashion, (such determination to be made by the Vendor at its sole discretion), the Purchaser shall immediately re-attend and re-select an alternative from the Vendor's available samples within seven (7) days of any and all notifications from the Vendor (the "**Re-Selection Period**"). In the event the Purchaser does not so re-select within the Re-Selection Period, the Vendor may at its sole option, either make such re-selection on behalf of the Purchaser, and in any such event, the Purchaser hereby irrevocably agrees to accept the Vendor's re-selection without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation herein, or the Vendor may terminate this Agreement and the Purchaser agrees that the deposit monies paid by the Purchaser hereunder shall be forfeited to the Vendor in addition and without prejudice to any other remedy available to the Vendor arising out of such default.

Only such items as may be unavailable, or unavailable in a timely fashion (as determined by the Vendor at its sole discretion) may be re-selected by the Purchaser. In the event of default by the Purchaser in re-selection, and a re-selection by the Vendor on behalf of the Purchaser, the re-selection shall be of equal or better quality than the original selection. The Purchaser acknowledges that many finishing materials are subject to slight colour variations and also to availability. Therefore, from time to time certain finishes may not perfectly match colour samples displayed. Natural materials, such as marble, granite, hardwood and brick are particularly susceptible to such variations.

COLOUR VARIATIONS

- (q) The Purchaser specifically acknowledges that in the manufacture of finishing items, colour variances sometimes occur. The Purchaser hereby shall accept any such colour variation resulting from the manufacturing process without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations herein.

HST ON CHATTELS

- (r) If applicable, the Vendor shall have the option to collect and remit the HST, if any, payable by the Purchaser on chattels which are purchased in this transaction as a charge on closing and the allocation of such chattels will be estimated, if necessary, by the Vendor.

READJUSTMENTS

- (s) All proper readjustments shall be made after closing, if necessary, forthwith upon request. Any monies owing to the Vendor pursuant to such readjustment or as a result of any expenses incurred by the Vendor arising from a breach by the Purchaser of any of the Purchaser's obligations described in this Agreement shall be payable upon written demand by the Vendor and shall bear interest from the date of written demand at the rate of twenty (20%) percent per annum, calculated daily, not in advance and shall be a charge on the Property until paid and such charge shall be enforceable in the same manner as a mortgage in default.

HOME OWNER SERVICE

- (t) No request by the Purchaser for home owner service will be processed by the Vendor unless such request is in writing other than emergency service, such as no heat, water or hydro.

BASEMENT DEVELOPMENT

- (u) Unless pursuant to the terms of this Agreement the Vendor is finishing the basement of the Dwelling, the Purchaser in all other cases covenants not to finish the whole or any part of the basement of the

Dwelling for a period of two (2) years after the Closing Date. The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to basement improvements and chattels stored in the basement resulting from water seepage, including any consequential damages arising therefrom.

SETTLEMENT

- (v) If settlement occurs due to soil disturbances around the house, the walkways, driveways and sodded areas, all minor settlements shall be the responsibility of the Purchaser, and the Vendor will rectify any major settlement once only, and such work, unless of an emergency nature, will be completed when reasonably feasible and according to the Vendor's work program and availability of materials and tradesmen's services. The Vendor is not responsible for any damage to the Dwelling which the Vendor considers of a minor nature by reason of such settlement.

ARCHITECTURAL CONTROLS AND SITING

- (w) The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction, boulevard tree planting, landscaping, corner lot fencing (including the location of such corner lot fencing), exterior colour schemes, or any other matter external to the Dwelling designed to enhance the aesthetics of the community as a whole, may be imposed by the Municipality and/or the Subdivider. In the event the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling other than as specified in this Agreement, or amend the driveway location siting or construction, boulevard tree planting or landscaping plan for this Dwelling (all of which is hereinafter referred to as the "Amended Elevation"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement. The Vendor shall have the right, in its sole discretion, to construct the hereinbefore described Dwelling either as shown on the sales brochures, renderings and other plans and specifications therefor reviewed and approved by the Purchaser, or, to construct such Dwelling on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout. Construction of a reverse mirror image Dwelling plan is hereby irrevocably accepted by the Purchaser without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling type hereinbefore described. Further, in the event the Vendor determines, at its sole discretion, to construct the Dwelling at a grade level different than as depicted in the sales brochures, renderings and other plans and specifications therefor reviewed and approved by the Purchaser, necessitating a step or series of steps to the front door, side door, rear door, or any door from the garage to the interior of the Dwelling, the Purchaser hereby irrevocably agrees to accept such change without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation as to Construction of the Dwelling type hereinbefore described. The Purchaser acknowledges and agrees that the Vendor may from time to time, in its sole discretion, or as requested or required by the Vendor's architect or any design consultants or by any governmental authority, change, alter, vary or modify lot/block numbers, municipal addresses and/or legal descriptions for the Property and/or the Dwelling. In the case of the purchase of a townhome by the Purchaser (if applicable) the Purchaser acknowledges that: the concept plans displayed in the sales office and/or in promotional brochures or media (including any websites), do not necessarily represent any specific block to be built by the Vendor; the Vendor has not artistically rendered all block scenarios and combinations of model types available; final block plans will feature similar but not necessarily identical architectural details; variances from block to block will reflect, among other things, the number of units in the respective blocks, roof designs that evolve in conjunction with the combination of various model types constituting specific blocks, unit stepping due to grading within respective blocks and the location of required partywalls and firewalls (if applicable) per respective block plan.

FINAL GRADING

- (x) The undersigned hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling with a walk out basement or a walk out deck where so indicated in this Agreement. Alternatively, the municipality may require the construction of a walkout basement or walkout deck not contemplated by this agreement. In the event this Agreement calls for a walk out basement or a walk out deck and such is not possible, or in the event this Agreement does not call for a walk out basement or a walk out deck and such is required, pursuant to final approved grading and engineering plans, the Purchaser agrees to accept whatever changes are necessitated by the final approved grading and engineering plans. In addition the Purchaser agrees further to pay the Vendor the additional cost involved in constructing such walk out basement at of cost of \$30,000 plus HST and/or walk out deck at a cost of \$12,000 plus HST, as the case may be (all of the foregoing to be absolutely determined by the Vendor).

VENDOR ACCESS

- (y) If the Purchaser completes this transaction and occupies the Dwelling at a time prior to the Vendor completing all of its work or construction within the Subdivision or any neighbouring subdivision, then the Purchaser covenants and agrees to permit the Vendor and its agents and subtrades to enter upon the Property for the purposes of completing work on an adjoining property or other properties in the Subdivision or any neighbouring subdivision and the Purchaser shall not interfere with any

work or construction being so performed by the Vendor and its agents and subtrades. The Purchaser agrees that this covenant may be pleaded by the Vendor as an estoppel to any action or opposition by the Purchaser. Without limiting the foregoing, the Purchaser acknowledges that there may be unbuilt lots adjoining the Property on which construction will take place after Closing and the Purchaser agrees that the Vendor or other builder/contractors or other parties authorized by the Vendor may enter upon the side and back lots of the Property after Closing to enable reasonable construction access to an adjoining lot. Such access shall be allowed without objection by the Purchaser provided that access to the Property and the Dwelling is not blocked and any disruption or damage resulting therefrom is repaired at no cost to the Purchaser.

3. **TITLE MATTERS:**

SUBDIVISION AGREEMENT

- (a) The Purchaser acknowledges and agrees that title may on closing be subject to one or more agreements with a municipality or other governmental authority or agency, including one or more subdivision or other development agreements and that the Subdivider has agreed at its own expense to construct, install and pay for roads, sanitary sewers, water mains and all other services in accordance with the requirements of the Municipality, which the Vendor herein is not responsible to construct, install or pay for. The Purchaser agrees that the Vendor shall not be obligated on closing or thereafter to obtain releases of such agreements, including any subdivision or other development agreements provided that the same have been complied with as of the Closing Date and the Purchaser shall satisfy himself as to compliance.

ACQUISITION OF TITLE

- (b) The Purchaser acknowledges that the Vendor may not be the registered owner to the Property and the Vendor may have agreed to acquire registered title to the Property from the Subdivider on terms set forth in a separate purchase agreement.

RELEASE TO SUBDIVIDER

- (c) The Purchaser acknowledges that title may be conveyed directly from the Subdivider, and not the Vendor, and the Purchaser hereby releases the Subdivider from all obligation, liability and responsibility whatsoever arising out of or associated with the construction of the Dwelling and installation of all other improvements within the lot boundaries or external to the lot boundaries, and the Purchaser agrees to execute and deliver on closing a separate acknowledgement and release in favour of the Subdivider to this effect.

PRIOR MORTGAGES

- (d) In the event any mortgages are outstanding on closing the discharge of which is the Vendor's obligation, the Purchaser agrees to accept the Vendor's solicitor's undertaking to obtain and register the discharge of the same within a reasonable period of time after closing in full satisfaction of the Vendor's obligation in that regard. Until closing, the Purchaser hereby acknowledges the full priority of any mortgage or construction financing arranged by the Vendor and/or secured by the Property over his interest as Purchaser for the full amount of the said mortgage or construction financing, notwithstanding any law or statute to the contrary and agrees to execute any acknowledgements or postponements required to give full effect thereto.

TITLE SEARCH

- (e) Provided the title is good and free from all encumbrances except as herein provided, and except as to building and other restrictions, and to any easement or right of way granted or to be granted for installation and/or maintenance of services, T.V. transmission system, mutual driveways, environmental easements, easements for noise and vibration and for access to rear yards and for maintenance of adjoining dwellings, if applicable. Furthermore, title to the Property may be subject to encroachments by portions of the buildings located on abutting lands, including eaves, eavestroughing, or other attachments to the roofs, and the Purchaser further acknowledges that portions of the Dwelling may encroach onto abutting lands where the right to do so exists. The Purchaser further acknowledges that the Property may be subject to possible fence encroachments. The Purchaser is not to call for the production of any title deeds, abstract or other evidence of title except as are in the possession of the Vendor. The Purchaser is to be allowed until thirty (30) days prior to the Closing Date, to examine the title at his own expense and if, within that time, any valid objection to title is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove and which the Purchaser will not waive this Agreement shall (except for the Purchaser's obligations for extras or changes), notwithstanding any intermediate act or negotiations be void and the deposit monies shall be returned, without interest, and the Vendor and the Broker shall not be liable for any damages or costs whatsoever, including, without limiting the generality of the foregoing, loss of bargain, relocation costs, loss of income, professional fees and disbursements and any amount paid to third parties on account of decoration, construction or fixturing costs. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Property. The Purchaser acknowledges and agrees that the Vendor shall be entitled to respond to some or all of the requisitions submitted by or on behalf of the Purchaser through the use of a standard title memorandum or title advice statement prepared by

the Vendor's Solicitors, and that same shall constitute a satisfactory manner of responding to the Purchaser's requisitions, thereby relieving the Vendor and the Vendor's Solicitors of the requirement to respond directly or specifically to the Purchaser's requisitions.

WARNING CLAUSES AND NOTICES

- (f) The Purchaser hereby confirms that he has been advised of the matters set out in the Schedule D and Schedule H attached to this Agreement with respect to specific warning clauses and specific notice provisions. The Purchaser acknowledges that the subdivision agreements and any subsequent agreements to be entered into or registered between the Vendor and the Municipality or any other applicable party may require the Vendor to provide the Purchaser with certain notices or warnings including, without limiting the generality of the foregoing, notices or warnings regarding the usage of the Property, environmental issues, noise levels from adjacent roadways or otherwise, maintenance of municipal fencing, school transportation and related educational issues, the status of services and works in the subdivision in which the Property is located, noise and/or vibration levels from nearby railway lines, the absence of door-to-door mail delivery, the absence of local or neighbourhood schools, the location of "super mailboxes", which may be included on the Property or on the boulevard adjacent to the property, and in general, any other matter that may be deemed by the municipality to inhibit or interfere with the enjoyment by the Purchaser of the Property. The Purchaser acknowledges and agrees that the Vendor may be unable, at this time, to provide the Purchaser with all such notices and warnings. In the event that such notice is delivered personally or by facsimile, it shall be deemed to have been received by the party to whom it is addressed on the day of such delivery. In the event of a mail stoppage or slow down, all notices shall be delivered of the foregoing. Provided further, that any tender of money or documents hereunder may be made upon the Vendor or the Purchaser or upon the solicitors acting on their behalf and money may be tendered by negotiable cheque certified by a Canadian Chartered Bank. The Vendor may assign this Agreement and its covenants and obligations herein to a third party, provided following such assignment, the Vendor shall notify the Purchaser of such assignment.

If the electronic registration system (hereinafter referred to as the "Teraview Electronic Registration System" or "TERS") is operative in the applicable Land Registry Office in which the Real Property is registered, the following provisions shall prevail, namely:

- (a) The Purchaser shall be obliged to retain a lawyer, who is both an authorized TERS user and in good standing with the Law Society of Ontario to represent the Purchaser in connection with the completion of the transaction, and shall authorize such lawyer to enter into an escrow closing agreement with the Vendor's solicitor on the latter's standard form (hereinafter referred to as the "Escrow Document Registration Agreement"), establishing the procedures and timing for completing this transaction and to be executed by the Purchaser's solicitor and returned to the Vendor's solicitor at least ten (10) days prior to the Closing Date;
- (b) The delivery and exchange of documents, monies and keys to the Dwelling and the release thereof to the Vendor and the Purchaser, as the case may be:
- (i) shall not occur contemporaneously with the registration of the Transfer/Deed (and other registerable documentation); and
 - (ii) shall be governed by the Escrow Document Registration Agreement, pursuant to which the solicitor receiving the documents, keys and/or certified funds will be required to hold same in escrow, and will not be entitled to release same except in strict accordance with the provisions of the Escrow Document Registration Agreement.

- (c) The Purchaser expressly acknowledges and agrees that he or she will not be entitled to receive the Transfer/Deed to the Dwelling for registration until the balance of funds due on closing, in accordance with the statement of adjustments, are either remitted by certified cheque via personal delivery or by electronic funds transfer to the vendor's solicitor (or in such other manner as the latter may direct) prior to the release of the Transfer/Deed for registration and in any event no later than 2:00 p.m. on the Closing Date.
- (d) Each of the parties hereto agrees that the delivery of any documents not intended for registration on title to the Dwelling may be delivered to the other party hereto by telefax transmission (or by a similar system reproducing the original), or by electronic transmission of electronically signed documents through the Internet provided that all documents so transmitted have been duly and properly executed by the appropriate parties/signatories thereto which may be by electronic signature. The party transmitting any such document shall also deliver the original of same (unless the document is an electronically signed document pursuant to the Electronic Commerce Act (Ontario)) to the recipient party by overnight courier sent the day of closing or within 7 business days of closing, if same has been so requested by the recipient party.
- (e) Notwithstanding anything contained in this agreement to the contrary, it is expressly understood and agreed by the parties hereto that an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor's solicitor has:
 - (i) delivered all closing documents, keys and/or funds to the Purchaser's solicitor in accordance with the provisions of the Escrow Document Registration Agreement; and
 - (ii) advised the Purchaser's solicitor, in writing, that the Vendor is ready, willing and able to complete the transaction in accordance with the terms and provisions of this Agreement; and
 - (iii) has completed all steps required by TERS in order to complete this transaction that can be performed or undertaken by the Vendor's solicitor without the cooperation or participation of the Purchaser's solicitor, and specifically when the "completeness signatory" for the transfer/deed has been electronically "signed" by the Vendor's solicitor;

without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents, keys and/or funds, and without any requirement to have an independent witness evidencing the foregoing. Notwithstanding anything herein contained to the contrary, in the event the Purchaser or the Purchaser's solicitor advises the Vendor or the Vendor's solicitor, on or before the Closing Date, that the Purchaser is unable or unwilling to complete the purchase of the Real Property, the Vendor shall be relieved of any obligation to make any formal tender upon the Purchaser or the Purchaser's solicitor and the Vendor may forthwith exercise any and all of its rights and/or remedies in this Agreement and/or at law. The Vendor shall have a one-time unilateral right to extend the Closing Date for one (1) Business Day (as defined in the Addendum) to avoid the necessity of tender where the Purchaser is not ready to close on the Closing Date and delayed closing compensation will not be payable for such period.

5. **ADJUSTMENTS:**

- (a) Unearned insurance premiums, taxes, mortgage interest, fuel, water rates, assessment rates and local improvements to be apportioned and allowed to the Closing Date. In the event realty taxes have not been individually broken down in respect of this Property and remain en bloc, then notwithstanding that such en bloc taxes may be outstanding and unpaid, the Purchaser covenants to complete this transaction and accept the Vendor's undertaking to pay realty taxes once individually assessed against this Property and agrees to pay on closing a deposit to be readjusted and to be applied on account of the Purchaser's portion of realty taxes applicable to this Property. Municipal realty tax re assessment and/or supplementary tax bills relating to the Dwelling constructed on the Property issued subsequent to the Closing Date shall be the sole responsibility of the Purchaser. The Vendor may require the Purchaser to accept or assume the cost of the insurance premium for the insurance policy arranged by the Vendor, the cost of which will be credited to the Vendor on closing. The Purchaser shall pay to the Vendor \$6,000.00 plus any applicable taxes on the Closing Date as security for any damages to or unauthorized changes that the Purchaser may make to the grading of the Real Property and/or the driveway and/or any amounts the Purchaser may owe to the Vendor and/or for any breach of any of the Purchaser's obligations pursuant to this Agreement and any damages, costs and expenses the Vendor may incur as a result thereof. Such security shall be repaid to the Purchaser upon written request from the Purchaser after assumption of the subdivision of which the Real Property forms a part, less any amounts the Vendor may have to pay to correct or remedy any damages and changes and/or to pay itself any amounts owing to the Vendor and/or to cover any damages, costs and expenses incurred by the Vendor as a result of anything set out above.
- (b) In the event the Vendor has contributed to, or made an undertaking to the Subdivider or to the municipality to contribute to, the cost of recycling bins, the Purchaser shall on Closing reimburse the Vendor as to the cost thereof.
- (c) The Purchaser is advised that Canada Post maybe imposing a fee with respect to the set up of Community mailboxes. The Purchaser shall pay to the Vendor on Closing with respect to the

Canada Post Community Mailbox Setup Fee for the designated Community Mailboxes if charged to the Vendor by Canada Post.

- (e) The Purchaser shall pay to the Vendor, as an adjustment on Closing in addition to the Purchase Price, any increase after May 15, 2022 in any levy, payment, contribution, charge, fee or assessment, including without limitation, development charges, education development charges, public art contributions and/or impost charges required, assessed, charged or imposed as of that date by the Municipality, a regional municipality, a transit authority, a public or separate school board or any other authority having jurisdiction under the *Development Charges Act*, the *Education Act*, the *Planning Act* and any other existing or new legislation, bylaw and/or policy of a similar nature.

6. **HARMONIZED SALES TAX:**

- (a) It is acknowledged and agreed by the parties hereto that the Purchase Price already includes a component equivalent to both the federal portion and the provincial portion of the harmonized goods and services tax or single sales tax exigible with respect to this purchase and sale transaction less the Rebate as defined below (hereinafter referred to as the “HST”), and that the Vendor shall remit the HST to CRA on behalf of the Purchaser forthwith following the completion of this transaction. The Purchaser hereby warrants and represents to the Vendor that with respect to this transaction, the Purchaser qualifies for the federal and provincial new housing rebates applicable pursuant to the Excise Tax Act (Canada), as may be amended, (collectively, the “Rebate”) and further warrants and represents that the Purchaser is a natural person who is acquiring the Property with the intention of being the sole beneficial owner thereof on the Closing Date (and not as the agent or trustee for or on behalf of any other party or parties), and covenants that upon the Closing Date, the Purchaser or one or more of the Purchaser’s relations (as such term is defined in the Excise Tax Act) shall personally occupy the Unit as his primary place of residence, for such period of time as shall be required by the Excise Tax Act, and any other applicable legislation, in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser’s acquisition of the Real Property. The Purchaser further warrants and represents that he has not claimed (and hereby covenants that the Purchaser shall not hereafter claim), for the Purchaser’s own account, any part of the Rebate in connection with the Purchaser’s acquisition of the Real Property, save as may be otherwise hereinafter expressly provided or contemplated. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser’s rights, interests and entitlements to the Rebate (and concomitantly releases all of the Purchaser’s claims or interests in and to the Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate directly to the Vendor. In addition, the Purchaser shall execute and deliver to the Vendor, forthwith upon the Vendor’s or Vendor’s solicitors request for same (and in any event on or before the Closing Date), all requisite documents and assurances that the Vendor or the Vendor’s solicitors may reasonably require in order to confirm the Purchaser’s entitlement to the Rebate and/or to enable the Vendor to obtain the benefit of the Rebate (by way of assignment or otherwise), including without limitation, the GST/HST New Housing Rebate Application for Houses Purchased from a Builder or other similar form as prescribed from time to time (the “Rebate Form”). The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damage and/or liability (including an amount equivalent to the Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser’s failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor). As security for the payment of such amount, the Purchaser does hereby charge and pledge his interest in the Unit with the intention of creating a lien or charge against same. It is further understood and agreed by the parties hereto that:
 - (i) if the Purchaser does not qualify for the Rebate, or fails to deliver to the Vendor or the Vendor’s solicitors forthwith upon the Vendor’s or the Vendor’s solicitors request for same (and in any event on or before the Closing Date) the Rebate Form duly executed by the Purchaser, together with all other requisite documents and assurances that the Vendor or the Vendor’s solicitors may reasonably require from the Purchaser or the Purchaser’s solicitor in order to confirm the Purchaser’s eligibility for the Rebate and/or to ensure that the Vendor ultimately acquires (or is otherwise assigned) the benefit of the Rebate; or
 - (ii) if the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor’s belief or position on this matter is communicated to the Purchaser or the Purchaser’s solicitor on or before the Closing Date;

then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Closing Date, an amount equivalent to the Rebate in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to pursue the procurement of the Rebate directly from CRA. It is further understood and agreed that in the event that the Purchaser intends to rent out the Dwelling after the Closing Date, the Purchaser shall not be entitled to the Rebate, but may nevertheless be entitled to pursue, on his own after the Closing Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to Section 256.2 of the ETA, as may be amended, and other applicable legislation relating to the provincial new rental housing rebate.

- (b) Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement, or any extras or upgrades or changes purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the ETA. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "Reduction"), then the Purchaser shall pay to the Vendor on the Closing Date the amount of (as determined by the Vendor in its sole and absolute discretion) the Reduction.

The Purchaser acknowledges that the model homes, if any, are for display purposes only, and that same or all of the features contained therein may not be included in the Dwelling unless same is specifically provided for in any schedule forming part of this Agreement.

8. **REZONING/NEIGHBORING LANDS:**

The Purchaser acknowledges receipt of notice from the Vendor that the Vendor and/or the Subdivider may apply for a re zoning with respect to blocks or lots not purchased hereunder as laid down by the plan of subdivision within which the Property is situate or with regard to the lands adjacent to or near the lands laid down by such plan of subdivision, and the Purchaser, the Purchaser's successors and assigns, shall consent to any such application and agrees that this paragraph may be pleaded as a bar to any objection by the Purchaser to such re zoning. The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Property and to assign the benefit of such covenant to the Vendor.

In addition to the foregoing, the Purchaser acknowledges that the Vendor is (or may in the future be) processing and/or completing one or more rezoning or minor variance applications with respect to the lands adjacent to the Property and/or in the neighbouring vicinity thereof (which includes lands outside of the plan of subdivision within which the Property is situate), as well as a site plan approval/development application/subdivision approval/draft plan of condominium approval with respect to such lands, in order to permit a development and/or construction of neighboring freehold and/or condominium project(s) thereon. The Purchaser covenants and agrees that it shall not oppose the aforementioned zoning, minor variance and site plan/development applications, nor any other applications ancillary thereto, including without limitation, any application submitted or pursued by or on behalf of the Vendor to lawfully permit the development, construction and registration of a plan of subdivision or condominium on such lands, or to obtain an increase in the density coverage or the dwelling unit count (or yield) thereof, or for any other lawful purpose whatsoever, and the Purchaser expressly acknowledges and agrees that this covenant may be pleaded as an estoppel or bar to any opposition or objection raised by the Purchaser thereto.

Warranty Information for New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you by your builder and backed by Tarion. For more detailed information visit tarion.com and log into our online learning hub at www.tarion.com/learninghub

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: www.tarion.com/learninghub

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your date of possession and provides up to a maximum of \$300,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against the unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario's Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty - not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via cpg.tarion.com.

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Closing Dates and the Firm Closing Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home on the Property and to Close without delay.
- (b) **First Tentative Closing Date:** The Vendor shall identify the First Tentative Closing Date in the Statement of Critical Dates attached to the Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Closing Date:** The Vendor may choose to set a Second Tentative Closing Date that is no later than 120 days after the First Tentative Closing Date. The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) above, must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Closing Date – Three Ways

- (a) The Firm Closing Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Closing Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the "Firm Closing Date" for all purposes in this Addendum.

3. Changing the Firm Closing Date – By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

Freehold Form (Tentative Closing Date)

(iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:

- i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
- ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
- iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. ☒ Yes ☐ No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

**Freehold Form
(Tentative Closing Date)**

Condition #1 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: SEE APPENDIX

The date by which Condition #1 is to be satisfied is the _____ day of _____, 20____.

Condition #2 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: SEE APPENDEIX

The date by which Condition #2 is to be satisfied is the _____ day of _____, 20__.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
 - (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

Freehold Form
(Tentative Closing Date)

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser.
